

Photography / Video Consent Form

Leeside Table Tennis Club recognises the need to ensure the welfare and safety of all young people taking part in our organisation.

In accordance with our child protection policy we will not permit photographs, video or other images of young people to be taken without the consent of the parents/carers and children. We would like to ask for your consent to take photographs/videos of players during competitions, trainings and table tennis camps that may contain images of your child. It is likely that these images may be used as

- a record of the activity or the event
- a means of evaluation of their game by the coach
- publicity material for further activities on Leeside's website/leaflets
- illustrations of the activities or events on Leeside's website
- future grant applications

Leeside Table Tennis Club will take all steps to ensure these images are used solely for the purposes they are intended. If you become aware that these images are being used inappropriately you should inform Leeside Table Tennis Club immediately.

We would be grateful if you would return this form to Coach Ben Haughton by the next training.
